Director	James Jones
Website	btl.education
Contact email	hello@btl.education
Purchase orders to	hello@btl.education
Bank account	Shown on the invoice

Invoicing and payment

Send a purchase order to hello@btl.education naming the resources or bundle, the school, and the email address the files should go to. We send the invoice and the download links on the same day we receive the PO, usually within a working day.

Payment terms are 30 days from the invoice date, by bank transfer. School prices are shown before VAT; VAT at 20% is added on the invoice. Schools can also pay by card at btl.education, and the order confirmation shows the VAT paid.

Bank details appear on the invoice and never change by email. If a message says they have, do not pay and check with us through btl.education.

What a school licence covers

One licence covers every teacher and every student on one school site. Files come as Word, PowerPoint and PDF, and the licence includes every correction and update we make to the unit for the current specification. When a reformed specification replaces it, a school licence for a text that continues can be exchanged for the rebuilt scheme at half price. Teachers may edit, print and share the files with their own students through the school's usual systems; the files may not be passed to other schools or posted publicly.

Schools in the same multi-academy trust pay the full school price for the first school and half the school price for each further school, on one order or over the year.

Data protection

No pupil data is needed to buy or use our resources. We hold the name and work email of the person ordering, the school's address for the invoice, and nothing else. We do not use pupil data, trackers or classroom accounts. Our privacy notice is at **btl.education/privacy/**.

Safeguarding

Our resources are downloads for teachers to use in their own classrooms, with no access to school systems. Speak Up sessions in school always have a member of school staff in the room and follow our Speak Up safeguarding policy and code of conduct at **btl.education/speak-up/safeguarding/**. Our essay marking service is sold to families directly, not to schools, and is handled through a parent or carer.

Insurance

Public liability insurance: £10 million. The insurer and policy number are available on request from hello@btl.education.

Accessibility

Student-facing pages are set in Atkinson Hyperlegible on cream or pale backgrounds, with generous spacing and reading rulers where they help. Every file is editable, so departments can change fonts, sizes and colours to suit individual students.

How to order

By card: choose the resources at btl.education and pay at the checkout. Files and an order confirmation showing VAT arrive by email within minutes.

By purchase order: email a PO to hello@btl.education. We send the invoice and the files on receipt; payment is due within 30 days by bank transfer.

Questions about prices, trust orders or anything on this sheet: hello@btl.education.
